More Algorithms for Arbitrary-Precision Sampling

Peter Occil

This version of the document is dated 2025-09-30.

Peter Occil

This page is now obsolete. Its contents were moved to:

- **Partially-Sampled Random Numbers for Accurate Sampling of Continuous Distributions**[1]
- **Bernoulli Factory Algorithms**[2]
- **Supplemental Notes for Bernoulli Factory Algorithms**[3]
- **Miscellaneous Observations on Randomization**[4]

0.1 Pushdown Automata and Algebraic Functions

Moved to **Supplemental Notes on Bernoulli Factories**[5].
